WOMEN IN PIPE

1. About the WIP Awards

The WIP Awards are an international initiative by Women In Pipe aimed at:

- * Recognizing companies committed to advancing women in the pipeline and piping industry
- * Highlighting women actively contributing to the sector
- * Strengthening attractiveness, diversity, and leadership across the industry

The ceremony will be held in Paris on June 18, 2026, and will bring together international leaders and key stakeholders from the sector.

Note: WIP reserves the right to postpone the event to a later date.
